The international ceremony of the Green Solutions Awards will take place on December 5th during COP28!

The announcement of the international winners of the Green Solutions Awards 2022-2023 is approaching rapidly. Mark the date in your calendars: December 5th during COP28 in Dubai. This prestigious contest, organised by Construction21, rewards the most exemplary projects, whether they are buildings, districts, or infrastructures. The ceremony, organised in collaboration with Business France, will highlight sustainable, affordable, and replicable solutions and share them with the world.

More than fifty stakeholders, delegation members, professionals, journalists, judges, and other enthusiasts will be present at COP to witness the awarding of the winners. For those who cannot or do not wish to be present in person, the ceremony will be broadcast live.

Furthermore, attendees of the ceremony will have the opportunity to participate in a programme developed by Construction21 and Business France: the BIG 5 construction fair, a visit to an eco-district, a networking cocktail conducive to exchanges and future collaborations...
