

BPIE renews its support to the Green Solution Awards 2018

Today, March 15, Construction21 launches the 2018 edition of the Green Solution Awards at MIPIM in Cannes, France.

Construction21 will kick off the 2018 edition of the Green Solutions Awards on March 15 on the BNP Paribas Real Estate booth (R7. E73) at MIPIM.

The Green Solution awards is a contest for sustainable solutions that highlights exemplary buildings districts and infrastructures around the world, to accelerate the environmental transition. This year, the awards ceremony will be held during COP24, in Katowice, Poland.

The call for participation is open until June 8th and you can find more information [here](#).

You can follow the conference on social media with the **#GreenSolutionsAwards!**
