

Score card for district heating company (EnNet)

This score card will help you to track your achievements in the game.

During the brainstorming with your team, you have identified the **barriers** for you to build a 5GDHC network and the **opportunities/solutions** to those barriers. Use the table below to fill in your results: for each identified opportunity/solution you get **1 point**. If you have identified a barrier but no solution to it, you get **0 points**.

Important: The best role performance* team will get **5 points** from moderators.

The team with the highest score points (including the performance points granted by the moderators) at the end of the game wins.
