The 3rd edition of the Green Building Solutions Awards powered by Construction21 promises to be exceptional, especially with the International Conference for Climate coming up in December in Paris. And, in addition to the 9 countries currently covered by the network*, the competition will open to new partners from around the world. Construction21 will host a kick off meeting on **March 11 at 5.30pm in Brussels** in order to inform major international networks and all green building related organizations around the world.

Energy agencies, professional unions or associations and all types of related organisations may join the initiative.

Program

17.30 : **Welcoming drink**

18.00 : **Opening of the conference** by *Vincent Berruto, European Commission, Head of Unit Horizon 2020 programme for Energy Efficiency in buildings, industry, equipment and transport*

- Construction21 : **International social media to accelerate building sector transition to a green building initiative.**

Christian Brodhag – President of Construction21 international network.

- Green Building Solutions Awards 2015 : a local and global competition to highlight exemplary sustainable buildings across the world**

Véronique Pappe – Co-Director of Construction21 international network.

- The vision of an industrial company, partner of the Awards**

Catherine Juillard - VELUX

19.00 : **Closing drink**
