## LUXEMBOURG WINS 3 AWARDS AT GREEN BUILDING SOLUTIONS AWARDS

---

The [Green Building Solutions Awards](#) are an international competition run by the Construction21 network. Each year they reward professionals who built exemplary buildings with solutions that contribute to the fight against climate change.

In 2015, Luxembourg has won awards for the following categories:

- Bio-based & Recycled Materials: Naturata
- Renewable Energies: Solarwind
- Smart Buildings: Neobuild Innovation Centre
