

House Association of Ireland

Green Solutions Awards

ENTER THE COMPETITION!

New edition, new format: the Green Solutions Awards 2020-2021 have some nice surprises in store to showcase the candidate projects and the professionals who worked on them.

Do you wish to share your know-how? Submit your building, district or infrastructure project, and participate in the acceleration of the ecological transition by inspiring other professionals for their future projects.

Who participates and how?

All sustainable actors with exemplary achievements to show are invited to make themselves known. Just publish a case study on Construction21. Free registration.
